

Scout Day 2012

Merit Badge/Patch Workshop

Saturday, February 18, 2011

8:30 a.m. – 5:00 p.m.

Registration Starts at 7:30 a.m.

Open to all Southern Arizona

Girl & Boy Scouts and American Heritage Girls Ages 11-17

Raytheon in conjunction with AIAA is pleased to announce our third annual Scout Day, a program designed to raise local scouts' awareness of Science, Technology, Engineering and Mathematics (STEM). Scouts will have the opportunity to earn one of eight Merit Badges/Patches, tour engineering labs, view demonstrations, and interact with professionals in a personal setting.

Scout leaders are invited to attend

Registration Deadline: January 12, 2011 (or when full)

Class sizes are limited so register early!

\$8 per attendee – Includes lunch/patch/material

Cost is for both youth and adults

To Register, go to: <http://www.planetReg.com/E1129215014221>

Merit Badge/Patch Workshop include:

Space Exploration, Engineering, Electronics, Radio, Composites, Computers, Robotics* and Aviation.

*Robotics will require participants to attend a session on Saturday, February 11th as well as the Scout Day on Saturday, February 18th. Location for the February 11th session will be at the Girl Scout Hacienda. Lunch will only be provided for the Scout Day session.
